Kid Car Airport: How it Works

Kid Car Airport provides safe transport between Manhattan and all NY and NJ airports.

Making a Reservation

When making a reservation, we ask for a lot of information. Please have the following handy:

1. Contact information: Home address, **contact cell phone**, credit card information, etc
2. Children's names/ birthdates/ car seats
3. Travel Information: Pickup Time, Pickup Location (including flight number), Dropoff Location

Finding Your Car at Your Home or Hotel

1. 10 Minutes before your scheduled pickup time, Kid Car NY will call your **contact cell phone** to give you the exact location of your vehicle.
2. When you come outside, the driver will put your luggage in the vehicle while you put your children in their properly installed car seats.
3. PLEASE put on your seatbelts (!) and confirm your destination with your driver.

Finding Your Car at the Airport

We try to minimize the anxiety of finding your driver at the airport with our vehicles (red minivans with our logo on them) and by putting you in direct contact with the driver (reducing potential miscommunication).

Here's how the rest of it works:

1. Kid Car NY will leave a message on your **contact cell phone** with your driver's cell phone number.
2. Your driver will call you until he reaches you (placing his number on your cell phone for easy access).
3. Call the driver when you have your bags and he will pull around (this takes 5-7 minutes).
 - Please provide the driver with a landmark to guide him to your location.
4. The driver will load your luggage while you put your children in their properly installed car seats.

Checklist/ FAQ's:

- Make sure your **registered cell phone** is ON and that you are able to check your messages upon landing. If this number changes, CALL 212-862-7233 IMMEDIATELY.
- Kid Car NY is special, but we still need to follow the traffic laws. If the police ask us to move, we may need to circle around if we don't see you the first time. We REALLY appreciate your patience.
- **Drivers will come in the terminal to help with bags if requested. Passengers are responsible for any additional parking fees. Ask the driver for the receipt if you need it.**
